ORDER

On December 19, 2022, this Court issued an Opinion & Order granting in part and denying in part Plaintiffs’ Unopposed Motions for Preliminary Settlement Approval (ECF Nos. 170, 253). (*See* ECF No. 257). Therein, this Court found that the parties’ proposed notices did not properly inform the Proposed Class of the plan of distribution or the deadline for objecting to or requesting exclusion from the Settlements. (*Id.* at 4). This Court ordered Plaintiffs to file amended notices that more clearly set forth that information. (*Id.* at 4–5). Plaintiffs filed their Amended Settlement Notices on December 23, 2022. (ECF No. 259-1, -2, -3, -4).

Upon review of the Amended Notices, this Court is satisfied that Plaintiffs have ameliorated the aforementioned deficiencies. Accordingly, pursuant to this Court’s previous Order (ECF No. 257), the Notice Period may now commence.

IT IS SO ORDERED.

ALGENON L. MARBLEY
CHIEF UNITED STATES DISTRICT JUDGE

DATED: January 9, 2023
