San Francisco, CA 94108

**Job Title:** Associate Attorney  
**FLSA Status:** Exempt

## About us:

The Joseph Saveri Law Firm, LLP opened for business in May 2012. Since then, it has grown rapidly, serving as lead and co-counsel on cases in which it combats price-fixing, illegal reverse-payment agreements, agreements regarding hiring and recruiting, antitrust violations, and other anticompetitive business practices. The Firm represents individuals and businesses, with a particular focus on class actions involving antitrust-related issues and complex business disputes. It also has an active, diverse *pro bono* caseload.

To date, the Firm's attorneys have generated over \$4 billion in settlements and successful resolutions. And our Firm and its attorneys have received multiple awards from domestic and international review organizations, as well as considerable judicial praise. Our success stems from the over 100 years of combined experience of our attorneys. We would like you to join us and help play a critical role in growing our hard-working, convivial boutique Firm.

## About the role:

We are looking for an ambitious, dynamic, driven, and passionate attorney to join our team. Once you join us, you open yourself up to the opportunity for fast career progression, and you could see yourself as a lead attorney on sophisticated, seven-figure cases within just a few years. You will have the opportunity to work on high-stakes, meaningful cases, rather than a high volume of cases. You will have the opportunity to participate and collaborate with people from different and diverse backgrounds as part of an inclusive team. And you will go home fulfilled at the end of the day knowing that you are making a difference in people's lives.

We are looking for litigators with at least 2-5 years' experience of complex litigation experience and the drive to run their own docket of cases. You will draft complaints, motions, pleadings, and discovery. You will take and defend depositions, argue motions in court, handle mediation, examine witnesses at trial and supervise more junior attorneys and support staff. You must be licensed and in good standing with the California State Bar. Antitrust, class action or complex litigation experience preferred. Candidates with clerkship experience are encouraged to apply.

To apply for an associate position: Please send a resume, cover letter, (unofficial) law school transcript, and at least one short (five-page maximum) writing sample to: [careers@saverilawfirm.com](mailto:careers@saverilawfirm.com) and put "SF Litigation Associate Attorney" in the subject line.
